HANOI

Producer: Prandina Srl

Designer: Federico Churba

On the occasion of “Euroluce 2011”, biennial lighting fair , which was held in Milan April 12 to 17, Prandina Srl presented “Hanoi”, a minimalist shaped lamp, designed by Federico Churba.

The structure is made in “Setapan” 6mm.

Made in 13 bright colors, “Setapan” is used in the furniture world as “solid surface”.

It’s an “eco-friendly” alternative to lacquered panels, being completely recyclable .
